

# ® SAFETOR ROOF ANCHORS

... when your life is on the line!!

## Basic Height Safety Starter Kit

**\$668.67 + Gst & Freight**

### Safetor Claw Anchor

Our Safetor Temporary Claw Anchor or the (STCA) is of a unique design as the loading is shared between two to three points of attachment. This enables the worker to safely work in a 180 degree radius.

All other temporary anchors transfer the loading to one point of attachment when a 20 degree angle is reached. Our anchor allows you to work at a 45 degree angle and the load is still shared by no less than 3 attachment points. This makes the Safetor claw anchor the safest temporary height safety anchor on the market today.

- 1 x 3 Leg adjustable anchor with shock absorber attached
- 1 x 1 leg adjustable work positioning anchor with shock absorber
- 2 x Carabiners
- 6 x Roof Zip tech screws
- 1 x Roof Zip tech screw driver to fit drill
- 4 x Top Hat washers
- 1 x Carry bag with internal pockets

Certified To: AS/NZS 5532: 2013 Standards for 15kN

## Economy Roofing Kit - Kernmantle

Our Economy Roofing Kit is a simple roof kit intended for basic roof work. It is anchored on the opposite side of the roof to where the work is done.

A manual rope grab keeps the user attached to the rope.

### Kit Contents:

- »1 x 20 meters of 11mm kernmantle rope with 1 x sewn eye loop and 1 x stop knot
- »1 x RG011 Manual rope grab
- »1 x S009KC Mini energy absorber block with carabiners
- »1 x MC001 carabiner
- »1 x HS807-15 1.5 metre 20mm Webbing Endless Round Sling
- »1 x SBE2K Full body harness
- »1 x 50m rope bag

Rope and Rope Grab combinations are certified to AS/NZS 1891.3.
